SOME COMMON SIGNS

**Excluded from financial
decisions** and denied
access to important
financial information.

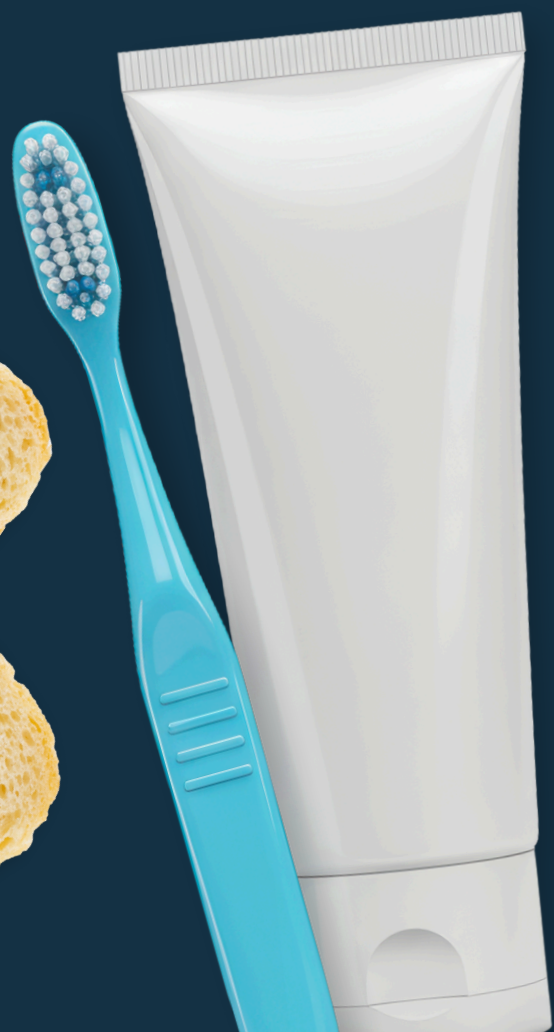

Credit cards or loans
opened in your name
**without your
knowledge or consent.**

Wages or savings taken
away, **and no access to
your own bank account.**

Being **forced to ask for money for basic needs** like food, transportation, or personal care.

**Prevented from
working,** applying for
jobs, or earning your
own income.

Economic Abuse is never your fault.

If any of this feels familiar
you are not alone.
